# Capitalization Mini Lesson

Review capitalization skills with this two-part plan. It uses your student's current book and their own writing.

1. Provide a short excerpt from your child's book. Have them mark each capital letter and write a rule. Then discuss.

Here's an example using the series "Diary of a Wimpy Kid." The student circled each capital letter and wrote a relevant rule.

Circle each capital in this section from *Diary of a Wimpy Kid: Hard Luck*. Write rules to explain the capital letters. Hint: Write four rules.

Monday

Mom's always saying that friends will come and go but family is forever. Well, if that's true, I could be in for a rough ride.

1 - Capitalize days of the week.

2 - Capitalize names.

3 - Start every sentence with a capital.

4 - Capitalize I.

2. Now turn to a section of the student's recent writing. Have them make capitalization corrections and write a rule for each change.
