## Homework Choices

Choose a different assignment for each day from Monday to Thursday. Check off your choices.

- Use bubble letters to practice spelling each word.
- With a parent as coach, spell your words with jumping jacks! Say one letter each time you jump.
- Cut letters from a magazine or newspaper. Paste them to spell your word list.
- Write a song or poem that uses all your spelling words.
- Make two cards for each spelling word. Use them to play Memory with another person.
- Draw a garden with a flower for each word. Write one letter on each petal.
