Homework Choices

Practice your words at least three nights this week. Choose three assignments. Check off your choices.

- Write each word in three different colors.
- Play "Spelling Catch" with a grown-up or two. A person says the next letter when they catch the ball.
- Cut letters from a magazine or newspaper. Paste them to spell your word list.
- Write a short story that uses all your spelling words.
- Spell your words with modeling clay. Ask a parent to take a picture to show some of your work.
